PREFACE

This is the fifth edition of our
Anatomical Studies

In presenting to the medical profession these drawings by Tom Jones, we take pleasure in expressing our thanks to the Physicians and Surgeons of this and other countries for their co operation over a period of years

S H Camp & Company

A handwritten signature in cursive script, reading "Samuel H. Camp". The signature is written in dark ink and is positioned below the company name.

President

CONTENTS

	PAGE
MUSCLES IN THE FEMALE	
Superficial Muscles of the Thorax	Plate I 1
Superficial Muscles of the Trunk — Anterior View	Plate IV 3
Superficial Muscles of the Trunk — Lateral View	Plate V 5
Superficial Muscles of the Trunk — Posterior View	Plate III 7
MUSCLES IN THE MALE	
Superficial Muscles of the Trunk — Anterior View	Plate XVI 9
Superficial Muscles of the Trunk — Lateral View	Plate XVII 11
Muscles of the Abdomen — Internal Oblique	Plate XLV 13
Muscles of the Abdomen — Transversalis	Plate XLVI 15
Superficial Muscles of the Trunk — Posterior View	Plate XVIII 17
ABDOMINAL VISCERA IN THE FEMALE	
Viscera of the Abdomen	Plate XLVII 19
Viscera of the Upper Abdomen	Plate XLIV 21
Viscera in Relation to the Skeleton — Anterior View	Plate LII 23
Viscera in Relation to Skeleton — Posterior View	Plate LI 25
Position and Relationship of the Viscera	Plate II 27
SECTIONS THROUGH TRUNK OF FEMALE	
Median Sagittal Section	Plate VI 29
Sagittal Section Through Right Side	Plate XXXVI 31
Frontal Section of Trunk	Plate XII 33
Sections Through Middle of Thorax and Superior Zone of Abdomen	Plate IX 35
Sections Through Abdomen and Pelvis	Plate XI 37
PELVIC VISCERA IN FEMALE	
Viscera Viewed from Right Side	Plate XL 39
Viscera Viewed from Left Side	Plate XLI 41
Viscera Viewed from Above	Plate XV 43
Median Sagittal Section	Plate XLII 45
GENITO URINARY ORGANS IN THE FEMALE	
Genito Urinary Organs	Plate VII 47
Topography of the Genito Urinary Organs — Posterior View	Plate XIV 49

CONTENTS

	PAGE
MAMMARY GLAND	
(A) Dissection of Lactating Breast	Plate X 51
(B) Relation of Breast to Chest Wall	Plate V 51
Blood Supply of the Breast	Plate XXXVIII 53
Lymphatics of the Breast	Plate XXIX 55
HERNIA IN THE MALE	
(A) Anatomy of Inguinal and Femoral Hernia	Plate XIX 57
(B) Posterior Aspect of Anterior Abdominal Wall	Plate XIX 57
NERVE DISTRIBUTION	
Distribution of the Spinal Nerves	Plate XIII 59
Nerve Supply of the Abdominal Wall in the Female	Plate XXI 61
Lumbosacral Plexus and Nerves of the Sacro Iliac Region	Plate L 63
BONES AND LIGAMENTS IN THE FEMALE	
Normal Spine — Posterior View	Plate XXXIV 65
Bones and Ligaments of the Pelvis	Plate XLIII 67
Sacro Iliac and Hip Joints	Plate XLVIII 69
BONES AND LIGAMENTS IN THE MALE	
Normal Spine — Median Sagittal Section	Plate XXXIII 71
Bones and Ligaments of the Pelvis	Plate XXIX 73
Sacro Iliac Joint	Plate XXV 75
Frontal Section Through Hip Joint	Plate XXX 77
BONE DEVELOPMENT	
Osseous Development of Infant at Birth	Plate XXXII 79

Physiological Supports Scientifically Designed

PLATE I

SUPERFICIAL MUSCLES OF THE THORAX IN THE FEMALE

Lateral and Anterior Views

(Solid lines indicate the normal breast dotted lines the sagging or pendulous breast)

- 1 Pectoralis major
- 2 Deltoid
- 3 Serratus anterior

- 4 Obliquus externus abdominis
- 5 Biceps

- 6 Sternomastoid
- 7 Trapezius
- 8 Rectus abdominis

Physiological Supports Scientifically Designed

PLATE IV

SUPERFICIAL MUSCLES OF THE TRUNK
IN THE FEMALE

Anterior View

Physiological Supports Scientifically Designed

PLATE V

SUPERFICIAL MUSCLES OF THE TRUNK
IN THE FEMALE

Lateral View

PLATE III

SUPERFICIAL MUSCLES OF THE TRUNK IN THE FEMALE

Posterior View

PLATE XVI

SUPERFICIAL MUSCLES OF THE TRUNK IN THE MALE

Anterior View

PLATE XVII

SUPERFICIAL MUSCLES OF THE TRUNK IN THE MALE

Lateral View

PLATE XLV

MUSCLES OF THE ABDOMEN IN THE MALE

Internal Oblique

PLATE XLVI

MUSCLES OF THE ABDOMEN IN THE *Transversalis*

CAMP

Physiological Supports Scientifically Designed

PLATE XVIII

SUPERFICIAL MUSCLES OF THE TRUNK
IN THE MALE
Posterior View

PLATE XLVII

VISCERA OF THE ABDOMEN
IN THE FEMALE

PLATE XLIV

VISCERA OF THE UPPER ABDOMEN
IN THE FEMALE

PLATE LII

VISCERA IN RELATION TO THE SKELETON IN THE FEMALE

Anterior View

PLATE LI

VISCERA IN RELATION TO THE SKELETON IN THE FEMALE

Posterior View

PLATE II

POSITION AND RELATIONSHIP OF THE VISCERA IN THE FEMALE

A Normal female figure *B* Visceroptosis (abdominal ptosis
Glenard's disease enteroptosis) position of colon lying behind
the stomach indicated by dotted line

PLATE VI

MEDIAN SAGITTAL SECTION THROUGH TRUNK
IN THE FEMALE

PLATE XXXVI

SAGITTAL SECTION THROUGH RIGHT SIDE IN THE FEMALE

Insert shows line of section

CAMP

Physiological Supports Scientifically Designed

PLATE XII

FRONTAL SECTION OF THE TRUNK
IN THE FEMALE

Physiological Supports Scientifically Designed

PLATE IX

SECTIONS THROUGH MIDDLE OF THORAX AND
SUPERIOR ZONE OF ABDOMEN (FEMALE)

CAMP

Physiological Supports Scientifically Designed

PLATE XI

SECTIONS THROUGH ABDOMEN AND PELVIS
(FEMALE)

PLATE XL

VISCERA IN THE FEMALE
Viewed from the right side

PLATE XLI

VISCERA IN THE FEMALE

Viewed from the left side

PLATE XV

PELVIC VISCERA IN THE FEMALE

Viewed from above

PLATE XLII

MEDIAN SAGGITAL SECTION OF THE PELVIS
(FEMALE)

CAMP

Physiological Supports Scientifically Designed

PLATE VII

GENITO URINARY ORGANS IN THE FEMALE

*A Anteroposterior View B Lateral View C Uterus and Adnexa
(at left with anterior one half removed)*

PLATE XIV

TOPOGRAPHY OF THE GENITO URINARY ORGANS IN THE FEMALE

Posterior View

A Sagittal section through right kidney

PLATE X

- A DISSECTION OF LACTATING BREAST
 B RELATION OF BREAST TO CHEST WALL

PLATE XXXVIII

BLOOD SUPPLY OF THE BREAST

Showing also profiles of common types from the small breast of the young girl to the pendulous breast of the older woman

PLATE XXXIX

THE LYMPHATICS OF THE BREAST

- A Axillary group of lymph glands
- B Pectoral group of lymph glands

CAMP

Physiological Supports Scientifically Designed

PLATE XIX

A ANATOMY OF INGUINAL HERNIA IN THE MALE
 B POSTERIOR ASPECT OF ANTERIOR ABDOMINAL WALL

PLATE XIII

DISTRIBUTION OF SPINAL NERVES

Posterior View

PLATE XXXI

NERVE SUPPLY OF THE ABDOMINAL WALL IN THE FEMALE

PLATE XXXIV

NORMAL SPINE IN THE FEMALE—
POSTERIOR VIEW

PLATE XLIII

BONES AND LIGAMENTS OF THE PELVIS IN THE FEMALE

PLATE XLVIII

THE SACRO ILIAC AND HIP JOINTS IN THE FEMALE

PLATE XXXIII

NORMAL SPINE IN THE MALE—
MEDIAN SAGITTAL SECTION

PLATE XXIX

BONES AND LIGAMENTS OF THE PELVIS IN THE MALE

PLATE XXXV

THE SACRO ILIAC JOINT IN THE MALE

PLATE XXX

FRONTAL SECTION THROUGH HIP JOINT
IN THE MALE

PLATE XXXII

OSSEOUS DEVELOPMENT OF INFANT AT BIRTH
